

For accurate colour reproduction with unbeatable productivity, designed with professional photographers and the fine art market in mind.

Designed with the print requirements of the commercial photography and fine art markets in mind, yet also representing a sound choice for the proofing market, the 24-inch Stylus Pro 7890 creates true-to-life prints at a high speed of up to 40m<sup>2</sup>/hour.

High quality colour: Achieve one of the highest colour gamuts available with consistently smooth gradations.

TFP print head: Tap into enhanced dot quality and crisp, clear images for better-than-lab-quality prints.

UltraChrome K3 with Vivid Magenta inkset: Enjoy a superior range of natural-looking grey tones. Three densities of black - standard photo or matte black (selected automatically depending on the media) plus light black and light light black - create striking black and white output with a high contrast ratio, perfect tonal range and improved grey balance without colour casting.

Perfect colour: This combination of black inks means prints are free from bronzing, with a uniform surface appearance across both light and dark areas. Metamerism is also reduced, ensuring grey tones are consistent no matter what light source they are viewed under.

Boost productivity: Epson's Automatic Droplet Detection System fixes blocked nozzles without intervention. The printer also carries photo and matte black inks simultaneously, a built-in rotary knife cuts prints quickly and cleanly while paper rolls are changed effortlessly in seconds.

Optional inline SpectroProofer: Ensure consistent, repeatable colour accuracy when using different media, rapidly measuring control strips and colour charts when creating ICC profiles and print verification results.

## KEY FEATURES

---

- Large format - 24-inch output
- Superior inks - UltraChrome K3 with Vivid Magenta
- TFP print head - Enhanced dot quality, crisp images
- High speed - Print at up to 40m<sup>2</sup>/hour
- Boost productivity - Automatic Droplet Detection System

## PRODUCT SPECIFICATIONS

### PAPER / MEDIA HANDLING

Paper Formats	A1, A2, A3+, A3, A4, B2, B3, B4, 17" (43.2 cm), 24" (61.0 cm), User defined
Print Margins Sheet Media	Mode 1: 3 mm (top), 3 mm (right), 14 mm (bottom), 3 mm (left)
Compatible Paper Thickness	0.08 mm - 1.5 mm

### TECHNOLOGY

Ink Technology	UltraChrome® K3 Vivid Magenta
----------------	-------------------------------

### PRINT

Colours	Light Black, Light Light Black, Photo Black, Matte Black, Cyan, Light Cyan, Yellow, Vivid Magenta, Vivid Light Magenta
Nozzle Configuration	360 Nozzles black, 360 Nozzles per colour

### GENERAL

Energy Use	70 W, 14 W (economy), 1 W (Power off)
Supply Voltage	AC 100 V - 240 V, 50 Hz - 60 Hz
Product dimensions	1,356 x 667 x 1,218 mm (Width x Depth x Height)
Product weight	84.5 kg
Sound Power	Operation: 6.2 B (A)
Noise Level	Operation: 50 dB (A)

### OTHER FEATURES

Memory	Printer: 256 MB, Network: 64 MB
--------	---------------------------------

### OTHER

Warranty	12 months On site service Optional warranty extension available
----------	--

## LOGISTICS INFORMATION

SKU	C11CB51001A0
EAN code	8715946473543
Dimensions Single Carton	1530 x 795 x 955 mm
Carton Weight	148.28 Kg
Multiple Order Quantity	1 Units
Country of Origin	Japan
Pallet Size Euro	1 Units
